The Unlimited Power of Faith A Message delivered By Pastor Kayode Martins On Thursday Chapel Service, October 25, 2018

Faith without proof is fake. Faith is a spiritual force that always produces evidence, (John 1:12; Mark 9:23).

Faith gives us access to God's help, (Mark 11:23. 2 Chronicles 20:17-24; Ephesians 6:16). Faith makes us more than conquerors.

Do not bother about generational curses, just serve God enough to provoke generational blessing, (Romans 8:38).

Faith can open the grave, (Exodus 3:7-8). The cry of faith is the gateway to supernatural breakthroughs, (Mark 10:46-52; Mark 9:27-29).

If breakthrough is your desire, then the cry of faith is required. It's time to engage in a cry of faith for your desired breakthrough, (Psalm 81:12-14).
