

The Unlimited Power of Faith: Impartation of the Spirit of Faith

A Message delivered By Pastor Kayode Martins **On Thursday Chapel Service, November 1, 2018**

Thank God for the word of faith, but when the spirit of faith comes to bear, we can think the unthinkable. We can expect the 'unexpected' and speak the unspeakable.

This can only work on the platform of the spirit of faith. Thank God for declarations and confessions but you need the spirit of faith.

The spirit of faith cannot be transferred to you without an understanding.

What Do we Require to Get that Impartation Upon Our Lives?

- Crave for what he carries - Psalm 63:1-3
- Open up to the Word of God - Isaiah 2:2; Acts 10:44
- You must engage in a soul-tie with the carrier - 2 Kings 2:4-10; Proverbs 13:23
