**There are Different Kinds of Wisdom**

**Divine Wisdom** - this is the wisdom from above. Whatever is from above is above all, (James 3:16-17). Divine wisdom is Holy Ghost inspired insight, (Genesis 41:15-16). Divine wisdom is applied knowledge of truth, (Luke 8:5-8; Mathew 7:24; Deuteronomy 28:1). When you hearken to God's voice, then you see His help. Divine wisdom has supernatural capacity to level challenges and create solutions. Wisdom is inspiration gathered and inspiration packaged (Job 32:8; Psalm 34:5).

Inspiration is spirit provoked insight (Proverbs 24:27-30). Inspiration is enlarging our understanding in scriptures.

**How To Access Divine Wisdom**
