**Theme: UNDERSTANDING THE DEMANDS OF BUILDING MY FAITH (PART 3)**

There is a faith building process that is required of every believer, because challenges will come but built and developed faith is what empowers the believer to survive (Jude 1 vs. 20). The building of faith is what will help believers in when the challenge of life comes calling.

### **WHAT ARE BIBLICAL FAITH BOOSTERS?**

1. Submitting to the ministry of anointed teachers (Isaiah 30 vs. 20 - 21; Acts 8 vs. 30 - 31; Ephesians 4 vs. 4 - 8; Psalm 119 vs. 99). It takes building one's faith and connecting to the ministry of anointed teachers, who God has ordained for speedy advancement in one's journey of life, is vital to successful and victorious Christian living.

2. Connecting with testimonies of other believers, because they are important faith boosters, with capacity to replicate in the life of others (Psalm 119 vs. 111, 144; Isaiah 8 vs. 16, 20).
