

Engaging the Power of Divine Secrets

A Chapel Service Message by Pastor Abraham Ojeme on Tuesday, March 18, 2014

God has made adequate provision for the outstanding success of His people (1 Cor. 2:7; Mk. 4:11). Kingdom mysteries are hidden divine treasures with potentials of making those who discover them experience supernatural breakthroughs (Job 1: 1-3; Job 29:4; Job 42:10).

When you are connected to divine secrets, no matter the setbacks, there will always be a comeback for dominion and victorious living (Dan. 5:12-14; Dan. 6:3). Having access to divine secrets is what confers glory, colour and speed to a vision (Gen. 41: 39-44; Matt. 13:54).

HOW CAN YOU ACCESS DIVINE SECRETS?

- ❖ By having the fear of the Lord at heart – Gen. 42:18; Eccl. 12:13; Ps. 112:1. This is your conscious effort to be mindful of God's opinion of your intentions.
- ❖ By engaging in a prayer of enquiry (Jeremiah 33:3). When you are committed to making enquiry, God will also be committed to revealing things to you (Daniel 2:17-22).
- ❖ Through the ministry of the Holy Spirit – 1 Corinthians 2:10-11; John 16:12-13; John 14:26.
- ❖ By separating yourself unto God (Proverbs 18:1). Develop a unique sense of quietness in your spirit-man in order to connect and hear from God (Psalms 119:89-97).

It is access to divine secrets that engenders the rising of stars in the kingdom (Proverbs 1:23).
